Ancient Monuments and Archaeological Areas Act 1979
Scheduled Monument Consent Decision Notice

Case ID	**201602228**	**Index No**	**M90186**

Scheduled Monument Location/Address	**Kilpatrick,dun,enclosure, hut circles, cairn and field system 1km S of Cunninghame, North Ayrshire**
Proposed Works	**Erection of fences**

Historic Environment Scotland hereby **grants** scheduled monument consent for the works detailed below, subject to the attached condition.

Consented Works:

a) Erection of electric fencing

as described in your application dated 25 July and the following supporting documents:

1) Description of proposed work at Kilpatrick Dun
2) Proposed fence map

Conditions referred to above

1. No works shall take place on site until a representative of Historic Environment Scotland has had an opportunity to visit and agree the exact location of the fence posts. At least four weeks prior to the intended start date the applicant shall contact Historic Environment Scotland to arrange the visit.

Reason: to ensure that any potential impacts on upstanding archaeological features are avoided.

Reasons for the Decision:

Subject to compliance with the schedule of conditions, the works proposed are considered acceptable in meeting the terms of national policy for scheduled monuments, and also accounting for other material considerations.
