

**Ancient Monuments and Archaeological Areas Act 1979
Scheduled Monument Consent Decision Notice**

Case ID	201602265	Index No	M90171
Scheduled Monument	Invercauld Bridge		
Location/Address	Kincardine and Deeside, Aberdeenshire		
Proposed Works	Grouting of a cutwater, and the infilling of a fractured rock pool with concrete to prevent cutwater from undermining and scour		

Historic Environment Scotland hereby **grants** scheduled monument consent for the works detailed below without conditions.

Consented Works:

- a) Grouting of a cutwater, and the infilling of a fractured rock pool with concrete to prevent cutwater from undermining and scour

as described in your application dated 27 July and the following supporting documents:

- 1) Scour protection works – concrete infill details – EDS.4.1.29/03
- 2) River bank reinstatement – slope protection detail – EDS.4.1.29/04
- 3) Ecological survey – Alba Ecology – June 2016
- 4) Archaeological assessment – July 2016

Reasons for the Decision

The works proposed are considered acceptable in meeting the terms of national policy for scheduled monuments, and also accounting for other material considerations
