HISTORIC ENVIRONMENT SCOTLAND | ÀRAINNEACHD EACHDRAIDHEIL ALBA

Ancient Monuments and Archaeological Areas Act 1979
Scheduled Monument Consent Decision Notice

Case ID	**300018521**	**Index no**	**SM2472**
Scheduled Monument	**Castledykes, castle earthworks**		
Location/ Address	**Perth & Kinross**		
Proposed Works	**Castledykes - Excavation of trench for fibre optic cabling**		

Historic Environment Scotland hereby **grants** scheduled monument consent for the works detailed below, subject to the attached condition.

Consented Works:

a) Excavation of a trench for the laying of the cable
b) Backfilling of the trench with suitable material and resurfacing.

as described in your application which we received on 29 September 2016 and the following supporting documents:

1) Dumfries fibre optic ductwork ring - archaeological investigations in Castledykes Park, Dumfries: written scheme of investigation (August 2016)
2) Drawings: AA3960/EW/07A (Ductwork Details), AA3960/EW/251B (Existing Layout), AA3960/EW245 (Proposed Duct Route).

Condition referred to above

1. Not less than 2 weeks before any of the works to which this consent relates are begun on site, Historic Environment Scotland shall be informed in writing of the timetable for the proposed works. Historic Environment Scotland shall be informed in writing of any changes to the timetable prior to the works being carried out.

   Reason: to enable a representative of Historic Environment Scotland to visit the site and monitor the works in progress.

Reasons for the Decision:

Subject to compliance with a condition related to notice of site works to allow for monitoring, the application is considered acceptable in meeting the terms of national policy for scheduled monuments, and also accounting for other material considerations.
