3 Pre-application discussions

Have you undertaken pre-application discussions with Historic Environment Scotland? (If yes, please give details below)	Y <input checked="" type="checkbox"/>	N <input type="checkbox"/>
Chris O'Connell (Scottish Canals) has discussed the proposal with John Malcolm (HES). It was agreed that the details regarding the foundations of some elements of this interpretation scheme will be forwarded to HES once they have been finalised.		

4 Summary of proposed works (max 20 words)

The installation of interpretation and associated landscaping at two locations on the Forth & Clyde Canal (Lock 11 Rosebank and Lock 5)

5 Description of proposed works

At both locations the work includes the introduction of new surfaces including concrete and paved areas. The planting of trees and hedges, the roots of which are held within containment system to hinder the undue spread of the roots. The installation of interpretation boards and sculptures. Remedial work to existing grassed areas. For a full description of the works please refer to 'SMC Application for Heritage Installation on the Forth & Clyde Canal'

6 List of plans, drawings and other documents accompanying application (continue on separate sheet if necessary)

No	Description	Reference	Document emailed	Document posted
