Proposed finishes & spec to round house:
(based on archaeological digs and historical evidence)

-Reed thatch roof in conical shape
-Outer stakeline of 13.2m based on Black Loch excavation
-Post ring of 8.8m diameter
-150mm round timbers
-Wattle & daub walls
-Earth floor on gravel and re-sited spoil well compacted ensuring build up on existing ground levels
-Timbers used would be alder, oak, birch, ash, willow & hazel
-Wattle & daub door to entrance projection
-Concrete substructure hidden from view but not into existing ground levels
-Area to be fenced with a palisade fence to provide security and authentic setting

	Revisions & Additions	Date
A	Amend inner post ring to 8 posts as per AOC's advice	01/03/16
B	Add info for planning application	16/03/16
