The Ancient Monuments and Archaeological Areas Act 1979

Amended entry in the schedule of monuments

Historic Environment Scotland in exercise of the powers conferred on it by section 1(1) of the Ancient Monuments and Archaeological Areas Act 1979 hereby amends the entry in the statutory schedule of monuments as set out below.

The monument known as **Dun Burn, cairn 200m NE of An Dun Broch** comprises a burial cairn thought to date from the Late Neolithic to Bronze Age (the fourth and third millennia BC). The monument is located on the summit of a spur on the west side of a valley above Berriedale Water, at around 110m above sea level.

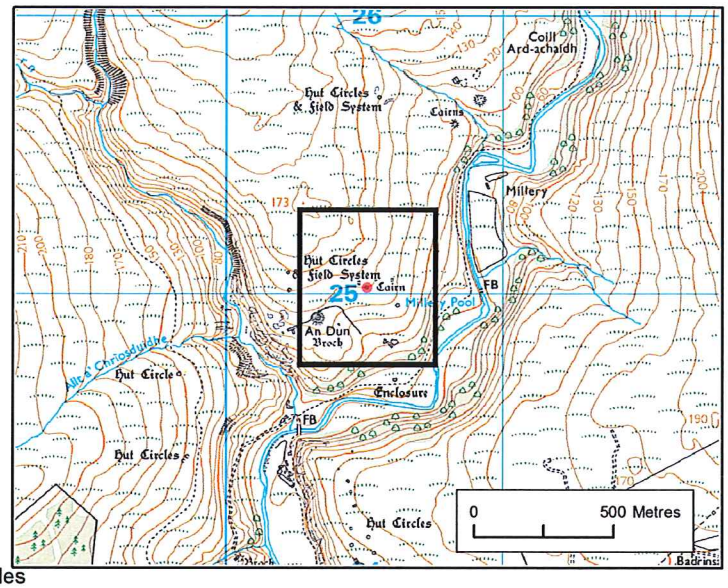

The scheduled area is circular on plan, measuring 40m in diameter, centred on the monument. The scheduling includes the remains described above and an area around them within which evidence relating to the monument's construction, use and abandonment is expected to survive.

The monument, which lies in the Parish of Latheron and the County of Caithness as shown in red on the plan annexed and executed as relative hereto.

This entry supersedes the Entry in the Schedule of Monuments for the monument known then as **An Dun and Cairns, Berriedale Water** as referred to in the Certificate of Service of Notice by the Commissioners of His Majesty's Works and Public Buildings in respect of the monument dated 15 June 1939 and recorded in the General Register of Sasines for the County of Caithness on 29 November 1939.
