Street	Little Holtby				
Town / City	Northallerton				
County / Region	North Yorkshire				
Postcode	DL7 9LN				

2 Monument to which application applies

Index no	SM3348	Name	Little Clyde to March Burn Roman Road		
Local Authority	South Lanarkshire	Grid Ref	NT039138		
Description of location of land	The monument is located in Nether Howcleuch Spruce forest				

3 Pre-application discussions

Have you undertaken pre-application discussions with Historic Environment Scotland? (If yes, please give details below)	Y ☒ x	N ☐
Site visit undertaken with John Malcolm on 5/7/16, and e-mail details received from John on 7/7/16 regarding the works and applications that we wish to undertake in the area. Specific to this application is the harvesting operations where trees will be felled, extracted and stacked within the buffer zone of the roman road		

4 Summary of proposed works (max 20 words)

The 20 meter buffer zone to the north of the monument will have timber harvesting operations undertaken.
--

5 Description of proposed works

Commercial felling will be undertaken with the harvesting and extraction equipment supported on brash road to avoid damage to the underlying ground. Where possible movement within the buffer zone will be kept to a minimum. However, in some areas the timber will need to be stacked in preparation for haulage. In these areas the timber will be rested on timber bearers to prevent ground
