The monument is scheduled as Cairnerzean Fell, cairns (scheduled monument 2287). The entry in the Schedule is dated 06/02/1963. This has not been amended.

At some point a duplicate entry for part of the monument was created in the schedule as Cairnerzean Fell, cairn (scheduled monument 2278); this duplicate entry is to be removed.

2.2 Development Proposals

There are no known development proposals affecting the monument.

3. Assessment

3.1 Assessment information

The site was considered for amendment as part of a scheduling programme focused on monuments which had no known legal documentation, and it was visted on 23/08/2016.

3.2 Assessment against designation criteria

An assessment against the scheduling criteria was not carried out as this is a technical removal and the importance of the structure will continue to be recognised through its designation as a component of scheduled monument: Cairnerzean Fell, cairns (scheduled monument 2287).
