Case ID	300018459	Index no	SM2526
Scheduled Monument	Cramond, Roman fort & civil settlement		
Location/ Address	Edinburgh		
Proposed Works	Installation of orientation and directional signage – Cramond Heritage Trail		

Historic Environment Scotland hereby **grants** scheduled monument consent for the works detailed below, subject to the attached condition.

Consented Works:

- a) Installation of orientation and directional signage, as part of Cramond Heritage Trail project.

as described in your application which we validated on 30 September 2016 and the following supporting documents:

- 1) Method Statement
- 2) Location & Design Statement
- 3) Written Scheme of Investigation

Condition referred to above

1. If significant archaeological or palaeoenvironmental deposits are located, the analysis of which is likely to over-extend the resources of the project, they must not be disturbed without further consultation and the prior written agreement of Historic Environment Scotland.

Reason: to ensure that any impacts on archaeological structures and deposits are minimised and that any significant discoveries that are made during excavation are recorded adequately and can be dealt with appropriately in the defined timescale.

Reasons for the Decision:

Subject to compliance with the schedule of conditions, the works proposed are considered acceptable in meeting the terms of national policy for scheduled monuments, and also accounting for other material considerations.
