1. Decision

The monument was scheduled in 1938 as **Two Forts on Carrickcamrie and Dunorroch** (scheduled monument 1959). The scheduled area is appropriate and the monument continues to be of national importance. The decision is removal of the duplicate designation (scheduled monument 1976) from the schedule.

2. Designation Background and Development Proposals

2.1 Designation Background

The monument was scheduled as **Two Forts on Carrickcamrie and Dunorroch** (SM1959). The entry in the schedule is dated 16 December 1938. This has not been amended.

At some point duplicate records were created in the schedule as Dunorroch, fort 800m SE of West Cairngaan (SM1976) and Carrickcamrie, fort 800m S of West Cairngaan (SM1959). Scheduled monument 1959 will be retained as **Two Forts on Carrickcamrie and Dunorroch.** The duplicate entry (SM1976) will be technically removed from the schedule.

2.2 Development Proposals

There are no known development proposals affecting the monument.

3. Assessment

3.1 Assessment information

The site was considered for amendment as part of a scheduling programme focused on monuments which had no associated documentation, and it was visted on 10/08/2016.

3.2 Assessment against designation criteria

An assessment against the Scheduling criteria was not carried out as the importance of the structure will continue to be recognised through its designation as a scheduled monument: Two Forts on Carrickcamrie and Dunorroch (SM1959).
