

**Ancient Monuments and Archaeological Areas Act 1979
Scheduled Monument Consent Decision Notice**

Case ID	300018691	Index no	SM3244
Scheduled Monument	Loch Thom-Overton, water cut		
Location/Address	Inverclyde		
Proposed Works	Repairs to collapsed wall and improvement of footpath		

Historic Environment Scotland hereby **grants** scheduled monument consent for the works detailed below without conditions.

Consented Works:

- a) Path repair works to 900m of towpath
- b) Repair of a short section of retaining wall around 15m in length.

as described in your application which we validated on 22 November 2016 and the following supporting documents:

- 1) General plan of works
- 2) Location Plan
- 3) Photographs of wall collapse

Reasons for the Decision:

The works proposed are considered acceptable in meeting the terms of national policy for scheduled monuments, and also accounting for other material considerations.
