

**Ancient Monuments and Archaeological Areas Act 1979
Scheduled Monument Consent Decision Notice**

Case ID	300018890	Index no	SM12765
Scheduled Monument	Doune Castle		
Location/ Address	Stirling		
Proposed Works	Alterations to vault beneath great hall to form a shop		

Historic Environment Scotland hereby **grants** scheduled monument consent for the works detailed below without conditions.

Consented Works:

- a) Installation of a window frame using fixings into joints, so as to make the vault weathertight.
- b) Installation of a glazed door on the inside face of the existing entrance passage through the wall, so as to make the vault weathertight – the existing timber on the outside face of this passage (ie when viewed from the courtyard) will remain in situ.
- c) Installation of concrete floor to entrance passage, with no excavation required and a separating membrane between concrete and the existing.
- d) Installation of timber dooks into mortar joints on the barrel of the vault to take a lighting rig, and into mortar joints on the back wall of the vault to take part of the shop fittings – the number of dooks will be kept to the minimum.
- e) Installation of a floating timber floor on the existing concrete floor of the vault, kept back from the edges of the vault.
- f) Installation of shop fittings onto the new floating timber floor.

as described in your application which we validated on 15 December 2016 and the following supporting documents:

- 1) Location plan – 22-11-16-06
- 2) Proposed shop door design – 22-11-16-01
- 3) Proposed shop entrance floor construction – 22-11-16-02
- 4) Shop window – 22-11-16-03
- 5) Proposed shop fixings details – 22-11-16-04
- 6) Assessment of impact on cultural significance – email dated 13 Dec 2016

Reasons for the Decision:

The works proposed are considered acceptable in meeting the terms of national policy for scheduled monuments, and also accounting for other material considerations.
