HISTORIC ENVIRONMENT SCOTLAND | ÀRAINNEACHD EACHDRAIDHEIL ALBA

Ancient Monuments and Archaeological Areas Act 1979
Scheduled Monument Consent Decision Notice

Case ID	**300040104**	**Index no**	**SM986**
Scheduled Monument	**Dunnottar Castle**		
Location/ Address	**Aberdeenshire**		
Proposed Works	**Installation of solar panel and light to serve the steps in the Keep**		

Historic Environment Scotland hereby **grants** scheduled monument consent for the works detailed below without conditions.

Consented Works:

- Lay polythene and pour a shuttered concrete slab on top of the existing ground surface behind the storehouse
- Install solar panel on the slab
- Install light in the keep stairwell
- Install wiring to connect solar panel to light

as described in your application which we validated on 20 September 2019 and the following supporting documents:

1. Visualisation - aerial view of castle
2. Visualisation - aerial view of the castle showing the keep and stable block
3. Visualisation - aerial view of the keep and proposed location of solar panel
4. OS map - with line of sight from south headland
5. Photograph - from south headland
6. Photograph - proposed solar panel location
7. Photograph - proposed route for cable
8. Photograph - proposed solar panel location
9. OS map
10. Drawing - SM boundary

Reasons for the Decision:

The works proposed are considered acceptable in meeting the terms of national policy for scheduled monuments, and also accounting for other material considerations.
