The Ancient Monuments and Archaeological Areas Act 1979

Addition to the schedule of monuments

Historic Environment Scotland, in exercise of the powers conferred on it by section 1(3) of the Ancient Monuments and Archaeological Areas Act 1979, hereby adds the following monument to the statutory schedule of monuments:

Cup marked rocks 60m NNW, 110m N and 135m NNE of Lurgan Steading comprises three groups of cup marked rocks covering a total of 17 rock art panels. The panels date from the Neolithic (4,100 BC – 2,500 BC) to Bronze Age (2,500 BC – 800 BC). The panels are located within a forestry plantation at around 330m above sea level, in the Parish of Dull and the County of Perth.

The scheduled area is in three parts; the southwestern is irregular, the middle is a clipped circle 20m across and the northeastern is a circle 25m in diameter. The scheduled area includes the remains described above and an area around within which evidence relating to the monument's construction, use and abandonment is expected to survive, as shown in red on the plan annexed and executed as relative hereto. The above ground elements of all modern post and wire fencing and the disused limekiln at NN 81852 50397, are specifically excluded from the scheduled area to allow for their maintenance.

Authorised by Dara Parsons, Head of Designations with Historic Environment Scotland on 26/07/2022.

This document is certified as a true copy of the addition to the schedule of monuments for the monument known as **Cup marked rocks 60m NNW, 110m N and 135m NNE of Lurgan Steading, SM13760**, authorised by Dara Parsons, Head of Designations with Historic Environment Scotland on 26/07/2022.
