Ancient Monuments and Archaeological Areas Act 1979
Scheduled Monument Consent Decision Notice

Case ID	**300064959**	**Index no**	**SM90212**
Scheduled Monument	**Maybole Collegiate Church**		
Location/ Address	**South Ayrshire**		
Proposed Works	**Installation of 4 Permanent Survey Markers to aid in High Level Masonry Inspection and survey**		

Historic Environment Scotland hereby **grants** scheduled monument consent for the works detailed below without conditions.

Consented Works:

- Hand digging of pockets for survey markers.
- Installation of permanent survey markers.

as described in your application which we validated on 05 April 2023 and the following supporting documents:

- Location Plan.
- Site plan.
- PIC Application for Permanent Survey Markers.
- Cultural Resources Team Assessment: PIC205 Maybole Collegiate Church, Permanent Survey Markers Heritage Impact Assessment.

Reasons for the Decision:

The application should be viewed as works as set out in both Part 1 Section 2 of the Ancient Monuments and Archaeological Areas Act 1979 and Section 15 of the Scheduled Monument Consent Policy.

The works are being done to elements of the monument in such a way as to fully maintain the cultural significance of the monument. They do not therefore conflict with Scheduled Monument Policy 1. The works are the lowest level of intervention that is consistent with achieving the monument's preservation, therefore, they comply with Scheduled Monument Policy 2.

The proposed works would have minimal impact on the cultural significance of the monument and so are compliant with Scheduled Monument Consent Policy 1. The

proposed works are carefully considered, based on good authority, sensitively designed, and properly planned and executed. The level of information provided is in proportion to the sensitivity of the monument and the level of change proposed, therefore, the works are compliant with Scheduled Monument Consent Policy 4.

The supporting information supplied with the application is sufficient to assess that the proposals would result in a minor level of change and would be done to elements of the monument of low cultural significance.
